Week of 5/7/17 (1)

Team

- Elyse Cooper, Kevin Dorosh, Ryan Stocking, Richard Preston

This Week

- Turned in final presentation report to Prof. Lasser
- GUI/Data Fusion
 - Removed hard-coded references to temp location files and simulated data
 - Prepared presentation slides and video for Tuesday's final demo
 - Will be simulating the circuit and showing video/schematics of the hardware since the flaky Arduino connections are not reliable enough to demo
 - Is too bad, since it worked at the poster session
